

Lake Carnico Is Name Chosen For New Lake

*Dec 1963
The Morning*

This name was suggested by John Tobitt Elder, the son of Mrs. Warren Fisher, who is stationed in Germany with the U.S. Army Security Agency at Frankfurt.

The Committee who selected this name, which results in the award of a \$25.00 Series E. Savings Bond to Mr. Elder certainly are to be commended for the selection which they have made since it embodies the use of words which denotes that all of Carlisle and Nicholas County have a Project which will bear the joint names of all the citizens of the town and county.

The Officers and Directors of the Nicholas County Development Corporation announced the selection of the name of the new Lake Project in Nicholas County today.

For several months the corporation has been receiving suggestions for the naming of the new Lake and sometime ago they submitted the entire list of suggestions to a committee of five women who are residents of Carlisle and Nicholas County and who have no interest of any kind in the Lake Project and the Committee, after much deliberation recommended to the Development Corporation "Lake Carnico."
